RE: Controlled Substances Act Registration of LARRY STANDING, DO Registration No. 1305440 Respondent	CASE NO. 2018-19 COMBINED ORDER TO SHOW CAUSE, SETTLEMENT AGREEMENT, AND FINAL ORDER
---	--

COME NOW the Iowa Board of Pharmacy ("Board") and Larry Standing, DO, ("Respondent"), 226 Bluebell Rd, Cedar Falls Iowa 50613, and enter into this Combined Order to Show Cause, Settlement Agreement, and Final Order ("Order") pursuant to Iowa Code sections 17A.10, 124.305, and 272C.3(4) (2017). The Board has jurisdiction over Respondent and the subject matter of this case pursuant to Iowa Code chapters 17A, 124, and 272C, and 657 IAC chapter 10.

A. FACTUAL CIRCUMSTANCES

1. Respondent holds Iowa Controlled Substances Act (CSA) registration number 1305440, which is currently active through February 28, 2020.

2. On February 17, 2017, the Iowa Board of Medicine approved a Combined Statement of Charges and Settlement Agreement that imposed discipline on Respondent's medical license for improper pain management. Under the Agreement, Respondent is prohibited from prescribing, administering, or dispensing controlled substances for the treatment of chronic pain, though Respondent is not prohibited from prescribing, administering or dispensing controlled substances for the treatment of acute pain, the treatment of terminally ill patients, or the provision of comfort or palliative care to patients in a nursing home or hospice setting under his Iowa medical license. Respondent's medical license was also placed on probation for a period of 5 years.

B. LEGAL GROUNDS

3. Pursuant to Iowa Code section 124.304(1)(e) and 657 IAC 10.10(1)"e", the Board may suspend, revoke, or restrict a controlled substances registration upon a finding that the registrant has had the registrant's professional license revoked or suspended or has been otherwise disciplined in a way that restricts the registrant's ability to handle or prescribe controlled substances.

C. ORDER TO SHOW CAUSE

4. Based on the above Factual Circumstances and Legal Grounds, Respondent is hereby ordered to show cause why his controlled substances registration should not be **RESTRICTED**.

In lieu of proceeding with a show cause hearing, Respondent agrees to resolve this matter by entering into the following Settlement Agreement and Final Order.

D. SETTLEMENT AGREEMENT AND FINAL ORDER

5. Respondent admits the Factual Circumstances and acknowledges that the Factual Circumstances, if proven in a contested case hearing, would constitute grounds for the restriction agreed to in this Order.

6. Execution of this Order constitutes the resolution of a contested case. Respondent has a right to show cause hearing before the Board, but Respondent waives the right to hearing and all attendant rights, including the right to appeal or seek judicial review of the Board's action, by freely and voluntarily entering into this Order. Once entered, this Order shall have the force and effect of a disciplinary order entered following a contested case hearing.

7. Respondent acknowledges that he has the right to be represented by counsel on this matter.

8. This Order is subject to approval by a majority of the full Board. If the Board does not approve this Order, it shall be of no force or effect to either party, and shall not be admissible for any purpose in further proceedings in this matter. If the Board approves this Order, it shall be the full and final resolution of this matter.

9. This Order shall be part of Respondent's permanent record and shall be considered by the Board in determining the nature and severity of any disciplinary action to be imposed in the event of any future violations.

10. Respondent understands the Board is required by federal law to report any adverse action to the National Association of Boards of Pharmacy's Disciplinary Clearinghouse and the National Practitioner Data Bank.

11. This Order, when fully executed, is a public record and is available for inspection and copying in accordance with the requirements of Iowa Code chapters 22 and 272C.

12. The Board's approval of this Order shall constitute a **FINAL ORDER** of the Board.

IT IS THEREFORE ORDERED:

13. Respondent's CSA registration is hereby **RESTRICTED** to prohibit Respondent from prescribing, administering, or dispensing controlled substances for the treatment of chronic pain as defined by the Iowa Board of Medicine. This restriction does not prohibit Respondent from prescribing, administering or dispensing controlled substances for the treatment of acute pain, the treatment of terminally ill patients, or the provision of comfort and/or palliative care to patients in a nursing home or hospice setting.

14. Respondent's CSA registration shall remain restricted for the duration of Respondent's probation with the Iowa Board of Medicine. If the Iowa Board of Medicine removes its restriction on Respondent to prescribe, administer, or dispense controlled substances for the treatment of chronic pain in the future, Respondent shall notify the Iowa Board of Pharmacy. Upon such notification, the restriction on Respondent's CSA Registration shall be removed.

15. Respondent shall continue to comply with all terms and conditions of the Iowa Board of Medicine's probation. If the Board of Medicine determines Respondent has violated any terms of his probation, Respondent shall timely report any such violations to the Iowa Board of Pharmacy.

16. Respondent shall provide a copy of this Order to all employers.

17. Should Respondent violate the terms of this Order, the Board may initiate action to suspend or revoke Respondent's CSA registration as authorized by Iowa Code chapter 124 and 657 IAC chapter 10.

This Combined Order to Show Cause, Settlement Agreement, and Final Order is voluntarily submitted by Respondent to the Board for its consideration on the 27th day of April, 2018.
